Simply the Best!

"I love determining the customer's style and turning it into an installation they will love."- Christa Palecki

Why Tile Market of Delaware?

- Three locations** covering the state of Delaware. Our 70,000sf Wilmington location serves as a distribution center for Delaware and the surrounding states. Our satellite locations (Lewes & Middletown) bring the product to you!
- Over 1 Million sq.ft. of Tile, Stone & Slabs in Stock** in Delaware, all featured in our design showrooms. Our goal is to find the newest and latest in tile and stone design for you and your customer.
- Custom granite, marble and quartz countertops** fabricated in-house utilizing the latest digital technology. Our process yields unmatched quality and our efficiency creates end prices that save you money. Never again sacrifice quality for price...get both!
- As a distributor we are your partner** not your competitor. We do not install tile, we simply supply it.

Wholesale Trade Program

- Custom solutions for your project.** Whether it's a large multi-home development, a country estate, main street commercial, or a small retrofit, our goal is to offer innovative and unique options while staying within a defined budget.
- Design Consultants on staff by appointment or walk-in.** Our goal is to give you as little or as much help as necessary. Our non-commissioned design staff is welcoming and customer friendly. We also provide visual drawings of the layout for customer clarification as well as contractor understanding.
- Discounted pricing on tile, stone, countertops and related items.** Let us help you earn money and at the same time deliver to your clients the very best in new tile and stone design.
